Visit GoldbergBarnTrack.com for additional information and full installation instructions for most products.

Put your barn doors on the right track with the quality and convenience of Goldberg Brothers barn door hardware. Our award-winning products help make efficient use of any indoor living or working space. Our rustic, yet elegant, industrial design provides a bold focal point to any décor.

Our Shutter Series product line offers the superior quality of our barn door hardware in a smaller size. Shutter Series hardware sets can be used to hang indoor window shutters, of course, but they also add charm and functionality to kitchen cabinets, pantry doors, entertainment centers, bathroom cabinets, dry-erase boards, chalkboards and more. All Shutter Series hangers feature factory-installed silent rollers for smooth, reliable performance. Choose from raw steel or any of 16 powder coat colors.

Goldberg Brothers products have been proudly made in USA since 1897. Our commitment to quality, craftsmanship and value is built into everything we do.

WARRANTY

LIMITED LIFETIME MANUFACTURER'S WARRANTY

Goldberg Brothers warrants the functionality of its barn door hardware sets and tracks with a limited lifetime manufacturer's warranty for defective parts under normal installation and use. Warranty is subject to repair or replacement of defective components at manufacturer's discretion and does not include installation costs.

This warranty does not apply to the cosmetic condition of any products or components. Goldberg Brothers barn door hardware is sold as a rustic finished hardware and may develop scratches or other signs of wear during manufacturing or normal installation and use. Further, Goldberg Brothers does not warrant against any cosmetic imperfections in the steel parts that may be seen through the finish.

Certain accessories including but not limited to felt strips, rubber bumper bands, and Soft Stop motion buffer mechanisms have finite expected lifetimes due to wear and loss of tension or resilience during normal use over an extended period. Except for manufacturing defects that become apparent within 1 year of purchase, these accessories are not covered under this limited lifetime warranty. Replacement accessories may be purchased as needed from Goldberg Brothers retailers.

Except for stainless steel components, Goldberg Brothers barn door hardware products are not warranted against rust. Some rusting is possible on any raw steel or powder coated steel hardware installed outdoors or anywhere else that it may be exposed to high humidity, rain, snow, or running water.

This warranty does not include loss or defects caused by elements outside the control of Goldberg Brothers, Inc., such as natural disasters, weather, fire, water leakage, abuse, improper installation, or anything else deemed out of the control of Goldberg Brothers, Inc.

GOLDBERG BROTHERS
BARN DOOR HARDWARE

EXTERIOR DUMMY ROLLER HARDWARE

Barn door hardware just for looks

Add a distinctive touch to the outside of your home with exterior Dummy Roller Series hardware from Goldberg Brothers. These powder-coated steel dummy hangers and tracks make decorative window shutters look like functional barn doors, but the dummy hangers don't actually move once installed.

- Attaches to decorative shutters and window trim
- Fits shutters up to 1½" thick
- Available with J-strap or wagon wheel dummy hangers
- Dummy hangers can be installed anywhere along the track
- Tracks sold separately in eight standard lengths from 2' to 8'
- Custom-length tracks available by special order
- Complete sets also available with track included
- No weight limit because hardware is only decorative
- Weather-resistant, zinc-coated bolts and aluminum spacers
- Available in 3 colors: matte black, silver, bronze texture

(track not to scale.)

Single-shutter complete set includes:

- 4' track
- 2 J-strap or wagon wheel dummy hangers
- 2 track stops
- All necessary bolts and spacers

Dual-shutter complete set includes:

- 8' track
- 4 J-strap or wagon wheel dummy hangers
- 2 track stops
- All necessary bolts and spacers

INTERIOR DUMMY ROLLER HARDWARE

Barn door hardware for art's sake

Mount photos, posters, paintings, mirrors, and more with interior Dummy Roller Series hardware from Goldberg Brothers. These powder-coated steel dummy hangers and tracks look like our real barn door hardware, but the hangers don't move once installed. They're a fun, attention-grabbing alternative to conventional frames.

- Attaches to most rigid, rectangular items up to 1½" thick
- Available with J-strap or wagon wheel dummy hangers
- Dummy hangers can be installed anywhere along the track
- Tracks sold separately in eight standard lengths from 2' to 8'
- Custom-length tracks available by special order
- Complete sets also available with track included
- 50 lb weight limit if item is not also fixed to wall
- Available in 16 powder coat colors or raw steel

(track not to scale)

Complete set includes:

- 5' track
- 2 J-strap or wagon wheel dummy hangers
- 2 track stops
- All necessary mounting hardware

SHUTTER SERIES HARDWARE COLORS

Products with SKUs that end with a dash and asterisk -* are available in multiple colors.
 Replace the asterisk * with the desired color code.

ECONOMY COLORS			STANDARD COLORS			UPGRADE COLORS	
							
RAW STEEL (not coated)	MATTE BLACK TEXTURE	BRONZE TEXTURE	BLACK	SILVER METALLIC	ARCH BRONZE	RUSTIC BROWN	JACOB'S GOLD
Color code "0"	Color code "MB"	Color code "BZ"	Color code "6"	Color code "1"	Color code "8"	Color code "4"	Color code "G"

DESIGNER COLORS								
								
PC CHROME	REGAL RED	ROCKET WHITE	BLUE RIBBON	FLINT GRAY TEXTURE	DARK GRAY TEXTURE	WHITE BRONZE TEXTURE	SILVER VEIN	COPPER VEIN

Use color code "D" and write the name of the designer color on the order form.

PLEASE NOTE:

- Due to variations in printers and display screens, all color representations above are approximate. Color sample cards are available. Ask your Goldberg Brothers sales representative for details.
- Raw steel does not have a protective coating. Rusting will occur.
- PC Chrome is a powder coat finish with a glossy, chrome-like appearance. It is not chrome plating.
- Steel components used with Matte Black Texture and Bronze Texture may have minor surface blemishes acquired during the manufacturing process. These superficial variations will be hidden by the powder coating and do not affect product performance.
