Put your barn doors on the right track with the quality and convenience of Goldberg Brothers barn door hardware. Our award-winning products help make efficient use of any indoor living or working space. Our rustic, yet elegant, industrial design provides a bold focal point to any décor.

The Stainless Steel Series is our most contemporary and elegant barn door hardware product line. The simple and bold roller hangers and tracks are made from solid stainless steel for superior durability. A #4 brushed finish reduces reflectivity and is easily maintained. Because stainless steel is rust resistant, this product line may be suitable for installation on covered patios or decks where there is a possibility of exposure to rain.

Goldberg Brothers products have been proudly made in USA since 1897. Our commitment to quality, craftsmanship and value is built into everything we do.

Please note: For the most current installation instructions and other information about Goldberg Brothers barn door hardware products, visit your local Goldberg Brothers retail dealer or goldbergbartrack.com.

6005PL

Biparting Privacy Latch (1 set, with screws)

6005PLP

Router Templates (set of 3, clear plastic)

flush pulls and privacy latch templates

6001TMP-2

WARRANTY

1-YEAR MANUFACTURER'S WARRANTY

Goldberg Brothers barn door hardware products come with a one-year manufacturer's warranty for defective parts under normal installation and use. Warranty is subject to repair or replacement of defective part(s) at manufacturer's discretion and does not include installation costs. Goldberg Brothers does not warrant the loss of finish at points where roller is in contact with track. Goldberg Brothers barn door hardware is sold as a rustic-finished hardware and Goldberg Brothers does not warrant the imperfections seen through the finish in the steel parts. It is part of the look.

With the exception of our stainless steel products, Goldberg Brothers does not warrant any products installed and used outdoors or where they are exposed to weather, running water or water condensation. Under these conditions, rust and other damage will naturally occur.

This warranty does not include loss or defects caused by elements outside the control of Goldberg Brothers, Inc., such as natural disasters, weather, fire, water leakage, abuse, improper installation, or anything else deemed out of the control of Goldberg Brothers, Inc.
