

GOLDBERG BROTHERS

BARN DOOR HARDWARE

BARN DOOR PULL SETS

Save a bundle on pull handles and flush pulls

Finish your barn door installation and save some money by adding these essential accessories from Goldberg Brothers.

We packaged four pairs of our most popular barn door pull handles and flush pulls and reduced their regular manufacturer's list prices by about 15% to 26% when purchased as sets.

These powder-coated steel accessories are designed to match the style of Goldberg Brothers barn door tracks and roller hangers, but they look great on any door.

- Available in 16 powder coat colors or unfinished steel.
- Door sets fit most doors between 1 $\frac{3}{8}$ " and 2 $\frac{1}{4}$ " thick.
- Shutter sets fit most panels between $\frac{3}{4}$ " and 1 $\frac{1}{8}$ " thick.
- Router templates for flush pulls available. (sold separately)
- Can be used with most sliding door systems.
